

Construction Activity Notice #5

Updated on February 12, 2019

The Cape Cod Regional Transit Authority (CCRTA) is in the process of improving the Hyannis Transportation Center site to better serve our patrons. The CCRTA will be providing regular updates of any alternate pedestrian and/or bus patterns on our website and social media, as well as posted signs throughout the Hyannis Transportation Center property.

Dates: Week of February 11, 2019

Work Hours: Work activity will occur in the hours covering 7 AM to 7 PM.

Work Activity: Updated on 2/12/2019: Construction activity is currently running slightly ahead of schedule. As a result, the “exit” side of the bus circle will be temporarily closed off for construction activity over the next few days, beginning on the morning of 2/13/2019. In its place, the “entrance” on the right side entering the bus circle will be expanded to include both entry and exit for bus traffic. Additionally, buses backing out of the bus bays will need to back out accordingly in order to depart to the left of the bus circle.

IMPORTANT NOTE: SHORT-TERM PARKING LOT WILL BE CLOSED FROM 2/5/2019 THROUGH 2/22/2019 – FREE ALTERNATIVE PARKING IS PROVIDED IN THE LONG-TERM EAST PARKING LOT FOR THIS CLOSURE PERIOD.

Impact to Riders: This phase of the Hyannis Transportation Center construction activity will have some impact to pedestrian and bus traffic. Any disruptions that may arise from this phase of the construction project will be posted and communicated through the CCRTA Information Booth public announcements.
